

## Prayer of Repentance

Father in the name of Jesus we come before your throne as your Army, with humble and contrite hearts on this day of repentance. Father as we step onto the battlefield of righteousness, we walk in a spirit of unity, with one heart, one mind, and one accord, to disarm and take away any legal right the enemy may have over your people, and your country called the United States of America. Father we decree and declare we will take back what belongs to you, through this act of target focused repentance that we are engaged in.

Father in the name of Jesus we repent for not having a humble heart, walking in pride, having haughty spirits, and attitudes, thinking because we are in leadership we don't have to repent. Father we repent for not walking in a spirit of repentance daily and for not disciplining others to do the same, knowing that an effective warfare starts with target focused repentance. Father in the name of Jesus we repent for engaging in friendly fire, attacking others in the Body of Christ, shooting\_ our own wounded because we may not agree with that person. We repent for our arrogance, murdering others with our words when your word says "thou shall not murder". Father in the name of Jesus we repent for having a religious, legalistic, and critical spirits, creating chaos, aiding the Kingdom of darkness, and committing spiritual treason by dividing the brethren. Father in the name of Jesus we repent for not operating in a spirit of unity; love, mercy, and grace, allowing our love to grow cold, and not showing the same love, mercy, and grace, that you have shown us. Father we ask that you would heal the divide in your people, give us the strength, the maturity, and the discernment to push away everything that is separating us from you, from one another, and from operating as the one true army you have chosen us to be. .

Father in the name of Jesus we repent for having an intellectual knowledge of you, but truly not knowing your ways. Father forgive us for the spiritual arrogance this has created, operating out of our intellect, versus out of your spirit, honoring you with our lips but our hearts are far from you. Father we repent for aiding the Kingdom of Darkness and committing spiritual treason by having an escapism mentality, taking ourselves out of the fight and for influencing and leading others astray down this same path.

Father in the name of Jesus we repent for having a spirit of cowardice, always taking a defensive posture and not going on the offensive when you gave us all the power over

all the enemy. Father we decree and declare this day, that as your Army, we will go on the offensive from this day forward, no longer in retreat, but taking the fight to the enemy. Father we repent for taking ground for your kingdom but not leaving anything in place to hold that ground, allowing the enemy to come back in 7 fold worse, only having to fight harder to reclaim the ground that we freely gave away. Father we decree-and declare this day as your Arr'ny that we will take ground for the Kingdom of God and we will hold that ground at all costs. Father we repent for not discipling people, and the next generation, to hold that ground we have taken, and to continue the fight. Father we ask in the name of Jesus that you would give us a spirit of courage and boldness with the intensity that-has never been seen in the history of mankind, to take back this country and this earth for your kingdom. Lord Jesus you said we would not only do the things that you did, but even greater things we shall do. Father we decree and declare that the time is now for this to take place, we ask for greater power, and authority, to do the things you have called us to do in these end times.

Father in the name of Jesus as your people we repent for not being the spiritual and moral compass that you have called us to be, for this country, and the entire world. Father we repent for being more concerned about the 4 walls of our churches, versus the congregations, and the lost. Father we repent for being more concerned about being politically correct, versus being truth seekers and truth speakers. Father we repent for walking in the fear of man versus the fear of God. Father we repent for staying inside the 4 walls of a building, and not taking your gospel to the streets, and bringing in a harvest that is ready to be gathered. Father we repent for allowing defilement in our pulpits. Father we repent for allowing freemasonry, secrets, and homosexuality into our pulpits, and allowing its influence into your houses of prayer, and caHing it church. Father we repent for allowing immorality into our pulpits and its influence into our congregations. Father we repent for the divorce and the abortion rate in your houses of prayer to be the same as the world. Father we repent for houses of prayer being in covenant with that entity called Baal, thru that demonic contract called the 501c3. We repent for taking a bribe for a tax right off, and staying silent for 30 pieces of silver, opening the door for the demonic influence in our houses of prayer. Father we repent for being incorporated as your houses of prayer, allowing the state and the government to be the head of our ministries, versus you lord Jesus. Father we repent for separating ourselves from you and your body. Father we repent for not ruling and reigning because we freely gave up that right for those 30 pieces of silver. Father we repent for having a slavery mentality, forgive us for not governing when instead wanting to be governed over. Father we repent for staying silent while prayer was taken out of schools, and allowing the enemy to come into our educational system. Father we repent for staying silent while Roe vs Wade was passed. Father we repent on behalf of the Body of Christ, the American people, the leaders-hip and the land, for the atrocity-called abortion. Father we repent for allowing these aborted babies to become the food source for Baal, and allowing Baal to become the strong man over America. Father we repent on behalf of the people, the leadership, and the land, for the child sacrifices, the pedophilia, and the

child sex trafficking that is taking place in our country on our watch. Father we repent for taking that blood money from the 501c3 that even the Pharisees knew not to take. Father we repent for the murdering of your prophets and the saints, for being drunk on the blood of the prophets and the blood of the saints. Father we repent for sacrificing your people on the altar of mammon, because we are more interested in money, big fine homes, and cars, versus the sanctity of life, and speaking out on the issues that matter to you lord. Father I now ask that the spirit of the fear of the lord would come over your people now, and that it would bring your people to an everlasting fear and awe of you. Father we repent for cursing your America saying she should burn, when you wish that none would perish. Father we repent for not speaking life into your America to complete her destiny.
